

**PLEASE NOTE: due to a mix-up, an affiliated ride is accidentally missing from the calendar. The Newport Ride, scheduled for May 30, should have been on our calendar. We are including this addendum to the newsletter to correct this mistake.**

**May 30 – Newport RR Bed Ride sponsored by Dana Lary:**

Ride starts at 10 am. Please note that 4-wheelers may be using the trail. We will be riding on the old railroad bed for 7 miles to Corinna. There is a small restaurant, which will be our lunch spot. We will have a menu with us so we can call in an order before we arrive. There are only a few places to tie horses, but a grassy area is available to hold lead lines or ground tie. We will have to cross one major road twice. Please be sure to clean up any hay and manure from the parking area before leaving.

**Directions:** Take I-95 north to exit 157. Take Left off the ramp and Left onto route 11. Go straight thru the traffic light. Parking is on the right just after Seabastcook Federal Credit Union. This is about 45 minutes of traveling time from Augusta.
