**THE NEXT MEETING IS  
NOVEMBER 5, 2016**

### **President's Stall**

Our annual membership meeting with the election of officers and board of director members will be held on Saturday, November 5<sup>th</sup>. Please support your riding club, come to the meeting on Saturday and let's start planning our activities for 2017!

The last ride of the season were held in October. We started with the first Sunday, October 2<sup>nd</sup>, riding the Bingham railroad bed, where the foliage was breathtaking in many places along the river.

The next weekend the ride was in Parkman on Saturday and Sunday, and then Mt Vernon on Columbus Day. The fall colors were absolutely beautiful to see!

October 14 to 16, had good weather, good turnout, and lots of fun! The fun started on Friday night with an evening ride through fields and trails from the home of Missy Bourgoïn in Greene. The moon was so bright that you had to shade your eyes from it if it was directly in front of you. The moonbeams coming through the trees on the trails made you think there were lights being flashed at you and to highlight the trail. The next day's ride was a daytime ride, also in Greene. On Sunday we rode at the Androscoggin Riverland's State Park in Turner, which is barely 5 minutes up the road from where we stayed in Greene. All the days were a bit chilly, typical fall days, still with beautiful fall colors and views.

See you at the show, meetings, and on the trails!

*Trudy.*
