President's Stall

Thank you very much to the folks that pitched in at our Litchfield Fair food booth. This was a successful fundraiser as usual. A very special thank you to Nancy Weeks for her many hours coordinating and cooking, and organizing all the workers. Another big and special thank you goes out to Rachel Jalbert-Palian, and her husband Steve. You both are real troopers and your help is very much appreciated!

We will be riding at the Bingham Railroad Bed on Sunday, October 2nd. Many of us may be wishing for rain, but let's wish for clear weather for riding and rain before and after!

New rides have also been added to the schedule for October 14, 15, and 16. The 14th will be a moonlight ride in Greene, the 15th will be a daytime ride in Greene, and on the 16th we will ride at the Androscoggin Riverlands State Park in Turner.

A Fall Fun Show has been scheduled for Sunday, October 23. In the case of inclement weather, the rain date for this show is Sunday, November 6. Please contact Nancy Weeks (207-557-3302) if you can help out in the food booth or donate food items. Please contact show manager Cathy Small (207-582-2093) if you can help out in general.

See you at the show, meetings, and on the trails!

Trudy.

October ride information

October 2 – Bingham Railroad Bed Ride:

The ride will start at 10:00AM from the trail head parking lot on Route 201 in Bingham.

Directions are to get off the interstate at exit 133 in Fairfield. Take a right off the ramp and continue on Route 201 thru Skowhegan and Solon. 7 miles north of Solon you come down a slight grade into the built up area of Bingham. Parking is on the right. I'll have signs.

This is a multi-use trail so there could be a lot of 4 wheelers.

It is 2 hours along the Kennebec River to the lunch spot at the boat launch. If someone was able to bring my truck with picnic tables and stove, I would provide soup for lunch. If not, then you'll have to bring your own.

Other than crossing the road to access the trail, this is all off road so dogs are welcome.

Any questions, call Nancy Weeks 207-557-3302.

October 8 & 9 – Parkman Ride sponsored by Donna Tripp (207-582-5532):

Camping is available Friday through Sunday. Bring water and spread manure in the field because this is a hayfield we camp in. There will be a lot of gravel roads so if your horse is tender footed you may want shoes. These trails are also accessible by cart if anyone wants to drive.

The rides start at 10:00. Saturday's ride will be 3-4 hours. Pack your lunch for Saturday as it will be on the trail. Sunday's ride will be about 3 hours, and there will be a chowder or stew for lunch at a camp.

A "Make Your Own Pizza" Party will be held Saturday night courtesy of the landowners. Please bring a favorite pizza topping, salad, or sweet treat to share.

Directions:

Take I-95 to Newport Exit 157. Take a left on Route 7 North to Dexter; take first left after Hannaford supermarket on Route 23 North. Go 1.5 miles, and take 2nd left after the lake onto Cambridge Road, watch for signs. Continue for 4 miles the field we will be camping in is on the right, watch for signs.

Contact info: Donna Tripp 207-582-5532 at home until Oct 7th, or cellphone 207-446-7982 (reception is iffy at camp).

October 10 – Mt Vernon Columbus Day Ride sponsored by Walt Williams (207-293-3068):

The affiliated ride is on Monday, October 10. The ride will begin at 10:00 and be about 3-4 hours.

There will be a potluck supper on Sunday night, October 9.

Campers are welcome for the weekend. Please check out where you plan to park by walking the area before driving in. Also, please unload horses before driving trailers far into the field. This is a beautiful place to camp and ride! You will need to bring your own water.

Directions:

From Manchester, take Rt. 17 towards Readfield. Go about 5 miles. Cross the railroad tracks, turn right onto the North Road just after the tracks. Then turn right onto the Weeks Mill Road. Go straight at the first stop sign, road bears right about 1 mile from stop sign. Bear left and go straight up the hill, this is the Cottle Hill Road. After this road turns to dirt, take the next Right down a camp road. Go through a green gate and parking will be in the field wherever you wish. Please unload horses before driving trailers far into the field as if there has been rain there may be soft areas.

Any questions contact Walt @ 207-293-3068.

October 14 & 15 – Greene Rides:

Friday nights ride will be a full moon ride that will depart the parking area at 7:30 PM and will be about 2 hours long. We will ride a combination of wooded trails and open fields. There will be 2 stream crossings.

Saturday's ride will depart at 10:00 AM and lunch will be on the trail so plan accordingly. The ride will be about 3.5 to 4 hours and will be a combination of soft sand footing to very rocky as we traverse down a washed out county road. Water is available to the horses on the trail.

Misc Info:

Camping is available for anyone interested Friday to Sunday. If you have been here before you know the parking is tight so there is not a lot of room for individual paddocks and your neighbors will be close but we make the best of it. There are a limited # of stalls available (provide your own bedding or baled shavings are available @ \$5 a bale), please call ahead to reserve a stall. There are also round pen panels which can be made into small paddocks outside.

Saturday night we will order pizza before carpooling to Litchfield for the club meeting.

Sunday we will pack up and drive 5 minutes to the parking area in Turner for Sundays ride at Androscoggin Riverlands State Park.

Directions to Greene:

GPS Address: 61 Additon Rd, Greene, ME 04236. Additon Rd is 4 miles off Route 202 in Greene. There is a 24 hour Irving station (former Landry's Quick Stop) for anyone needing gas or diesel.

Any questions, please call Missy Bourgoin at 207-576-2721.

October 16 – Androscoggin Riverlands State Park Ride:

Ride begins at 10 AM. I recommended that horses be shod or have boots, as the footing is a mixed bag of gravel roads and pine needles. Lunch will be out on the trail so pack what you would like to eat and drink, and a halter to tie your horse up. The ride will be about 3.5-4.5 hours with a 1 hour break for lunch.

There is water for the horses out on the trail, but none available in the parking area.

Parking is at the Androscoggin Riverlands State Park which is on Center Bridge Rd in Turner.

Directions to Turner:

From Augusta or Lewiston: Take Route 202 to Greene. At the flashing yellow light (24 hour Irving station (former Landry's Quick Stop)) turn onto Allen Pond Road towards Turner. Follow Allen Pond rd till you cross the Androscoggin River. Go approx. .3 miles and the parking area for the Turner Riverlands is on the left. Look for MTRA yellow signs. If you should pass the parking area, about 1 mile up the road is a place where you can turn around.

Any questions, please feel free to give me (Nora MacDonald) a call 207-319-8922.
